STACK-N-STORE™

This set of four (4) heavy-duty steel corner brackets lets you build two-by-four (2x4) storage racks, shelves and worktops in any convenient size. Stack-N-Store's design keeps your valuable firewood up to five inches above ground level - safe from harmful ground moisture, pests, and decay. Select the 2"x4" lumber of the right length, and add the brackets; you're done... it's that easy! Add screws or nails in the pre-drilled bracket holes for added stability. Stack-N-Store brackets are virtually indestructible.

REPLACEMENT FIREPLACE SCREENS

For Open Fireplaces and Fireplace Glass Doors • Inserts

Literally millions of North American households have fireplaces with old, rusty, warped or sticking fireplace screens. Tap this lucrative market with our replacement screen program, designed for quick and easy selling. The screen is heavy 19 gauge (.041") steel, U.S. made and graduated in height from 18" to 30", in two inch increments. Each panel is 24" in width.

Heavy 19 gauge woven wire mesh curtain screens with sizes to fit fireplaces from 18" - 30" high and up

to 48" wide. Rust resistant satin black enamel paint finish. One pair (two panels) per package.

Available in odd sizes by special order.

Note the ring at top, add 1" to overall length.

Model	Height	Model	Height

9-66	Black Spring Pull		

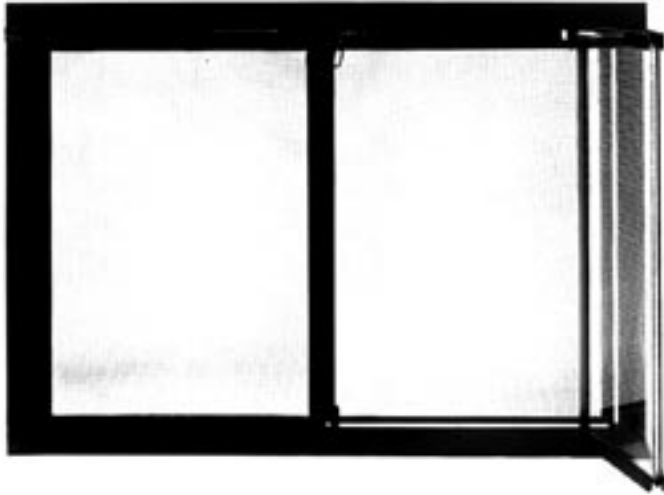

FIREPLACE GLASS DOORS

Minuteman International has been serving the Hearth, Fireplace and Woodstove industry since 1977. We still abide by our original goal: Providing a large range of quality products at very attractive pricing together with exceptional customer service. With this mission in mind, we introduced wrought iron toolsets, andirons and screens using old world blacksmithy by European Mastersmiths in 1996. These incorporated a whole variety of design themes and details, which continue to be proven sellers.

Starting this year we are offering new wrought Iron Glass Door Enclosures, which are an exceptional value, and are beautifully crafted.

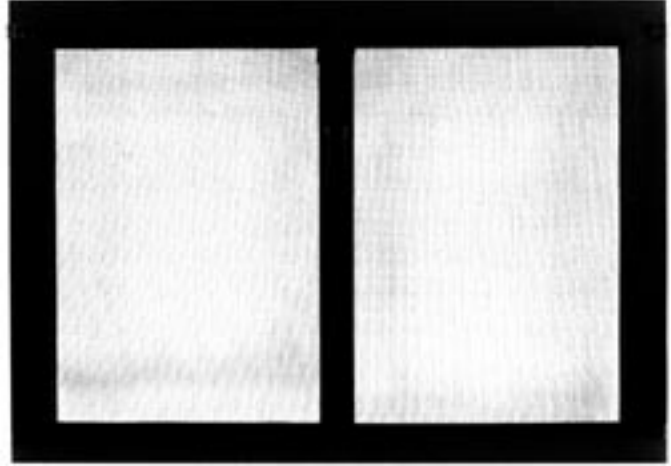

BI-FOLD

Modern Studio Collection

B-fold doors open fully and fold back against the wall. Both glass and mesh doors are removable for easy installation and cleaning. Available in 11 sizes. See chart for sizing.

CABINET

Shaker Collection

Clean contemporary lines will fit into any decor. Cabinet style doors open fully for easy access.

***New Wrought Iron Glass Door Enclosures from
Minuteman International come in 13 different sizes.
Both glass and mesh doors are removable for easy installation and cleaning.
See chart below for available sizes.
1" & 2" Risers are available. Call for info.***
