Bolt-In Andirons

These andirons fit over the drilled bosses located on the inside front plate of the Defiant and on the inside of the Ash Fittles of the Vigilant and Resolute. The left and Right Andirons are different to match the curvature of the stove front. These were used on the Defiant to 03/86 and the Resolute to 12/85

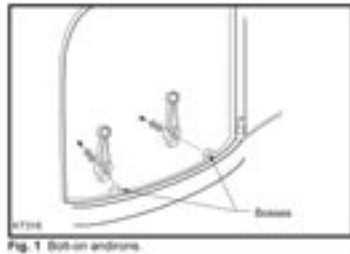

Fig. 1 Bolt-in andirons.

Drop-In Andirons

These andirons install placing the slot at the bottom of the andiron over the boss on the back of the air distribution fettle and seat firmly in place. The two andirons are the same. These were used on the Vigilant after 03/86 and the Resolute after 12/85.

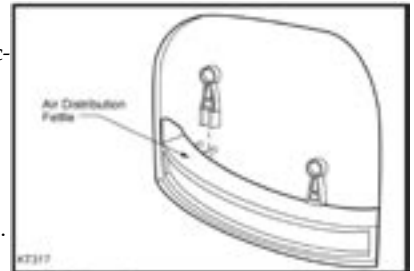

Fig. 2 Drop-in andirons.

Gasket Kit for older Vigilant and Single Door Resolute

Kit Includes:

- 1 tube of gasket cement
- 4 ft. 3/16" window channel gasket for griddle
